

PATIENT PORTAL SIGN-UP FORM

Utilizing the Patient Portal will allow you to access your child(ren)'s medical records on your time.

***Once the patient is 17 years old, the patient will have to fill out this form for themselves to be able to view their medical records. ***

This includes:

- Most recent physical date
- Allergy list
- Secure messaging
- Upcoming appointments
- Immunization record

You can download your child's immunization record directly from Northeast Pediatric Associates' portal at

<http://mykidschart.com/npa>
